

Maria Wendt Course Catalog

Nearly 100,000 students have taken Maria Wendt's business & marketing courses to learn practical, step-by-step strategies for making money online. Her students see predictable, repeatable results because she teaches from hands-on, real-world experience. Every course goes through a rigorous testing process to ensure students from any industry, background, location or experience level can succeed.

You can purchase any of these courses by visiting mariawendt.com, or you can use this catalog and click on the course titles—it will take you directly to the checkout where you can add that course to your cart.

Contact: access@mariawendt.com

How to Access Your Courses

All courses are hosted on Kajabi. Here's how to log in:

Login Link: <https://maria-c0c8.mykajabi.com/login>

Username: The email address you used to purchase

Password:

- Already have an account? Use your existing password
 - First time? You'll be prompted to set up a password
 - Forgot password? Click "Forgot Password" to reset it via email
-

Pro Tip

Use the same email for all purchases! Your courses automatically load to your Kajabi account when you use the same email - no waiting for access emails.

Common Issue

Purchasing with different emails creates separate accounts. To keep all your courses in one place, always use the same email address for purchases. If you need to combine your courses under one email, contact us at the email listed below.

Missing Your Login Email?

Check your PROMOTIONS or SPAM folders, or contact access@mariawendt.com for help.
